IT Manager/ Head of IT

IT Manager / Head of IT / Operations Manager /
Team Management / Strategic planning /
Project planning / Technical Background

IT Manager / Head of IT / Operations Manager
is required by a leading company based on the
Surrey, South London border.

The IT Manager will be expected to
demonstrate a high level of commercial acumen
and strong technical IT management and team
management skills and also have experience of
developing and implementing an IT strategy to
deliver a high quality of services to clients and
internal users.

I am looking for an IT Manager / Head of IT / Operations Manager who has solid Team
Management and comes from a solid technical background who is looking to work for a leading
organisation

My client is looking to reward this IT Manager / Operations Manager / Head of IT a salary of
between £35k £60K + excellent benefits,

If you are an experienced IT Manager / Operations Manager / Head of IT with solid Team
Management and a technical background , who is looking for another challenge then I would like to
see your CV.
